Dear Parents/Carers,

I am writing to inform you that once your child moves into Year 3 from September, their eligibility for Universal Free School Meals will end.

Lunch orders will still need to be made in the same way, via your LunchHound account, and the current cost of a school meal is £2.50 per day. Payments for dinners will need to be made via ParentPay and your account does need to be in credit for you to be able to place an order. We will email you with ParentPay account details and an activation code as soon as we possibly can, however, children will display as free school meals until we return in September, and they are enrolled into Year 3. If you have older children in school and already have an account, you can add younger siblings to your existing account. User guides are available on our website for both LunchHound and ParentPay <https://www.astoncofe.co.uk/parents-and-carers/>

For anyone who is currently in receipt of Benefits Free School Meals, your child will continue to receive free school meals and you do not need to do anything further. If you would like to check your eligibility for Benefits Free School Meals, please visit <https://www.rotherham.gov.uk/benefits/free-school-meals>

If you do have any further questions, please don't hesitate to contact the school office.

Yours sincerely,

Mrs Hall  
Head of School
