

Autumn 1 newsletter

Aston All Saints C of E

www.astoncofe.co.uk

Thank you all for a productive and action packed first half term!

Children have settled into their new year groups well and have already produced many high quality outcomes. These strong starts set the tone for the school year ahead.

We are very grateful for your kind donations to our Harvest Appeal. These will be taken to the Archer Project, based at Sheffield Cathedral to support those in need.

Wonderful Year 2 Art outcomes. Children worked with the colour wheel, experimented with colour & made hues.

Well done to years 1 & 5 for leading the ministry of the word during our Harvest Assemblies. Both classes shared messages of thanks for the many things we enjoy at this time of year.

Year 5 have also produced replicas of the solar system as part of a home to school learning project. The class have impressed me with what they know and can remember from this interesting unit of work.

This first half term has brought the return of community sports links for our children. We hosted Aston Fence for after school football. Children demonstrated our core values of friendship and respect admirably.
