SPRING ONE TERM

Spring 1 term started with lots of snow, ice and dreaded indoor breaks! Thank you again for your understanding & patience as we ensured the site was safe for all.

We are all looking forward to warmer break times and hopefully some sun.

NINJA WARRIOR DAY

We all enjoyed our Ninja Warrior workshops this half term. With so many sporty children in school, Jonny was able to really challenge us. He was a great inspiration, sharing his story of set backs and triumphs throughout his gymnastics, circus and Ninja Warrior career.

CAREER ASSEMBLIES

SO FAR THIS TERM WE HAVE EXPLORED THESE CAREERS:

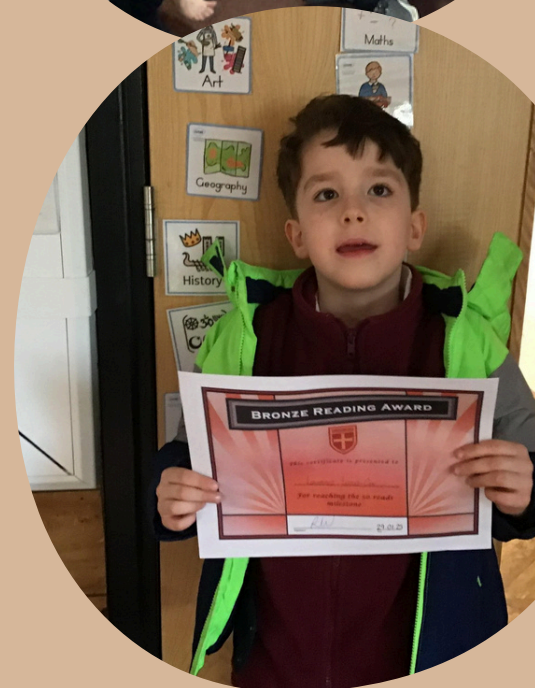

- Guide Dog Trainer
- Kit Manager
- Zoologist
- Theme Park Ride Designer
- Chef

SCHOOL IMPROVEMENT

We continue to be committed to school improvement here at Aston C of E. Now that Mrs Adair is our CEO, she is being supported by school improvement leads from across our academy to still ensure time and capacity to visit and monitor progress.

Mrs A Adair and Mr L Hayle have this term monitored our reading offer. They were both impressed with teaching, learning outcomes and sequential learning from FS2 to year 6. Our phonics program prepares children well, followed by comprehension and fluency skills that grow from the end of the Read, Write Inc program.

FOUNDATION SUBJECTS

All classes are continuing to engage in our many cross curricular projects.

FS2 – Long Ago

Yr1 – Bright Lights, Big City

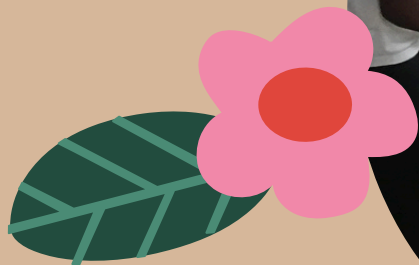

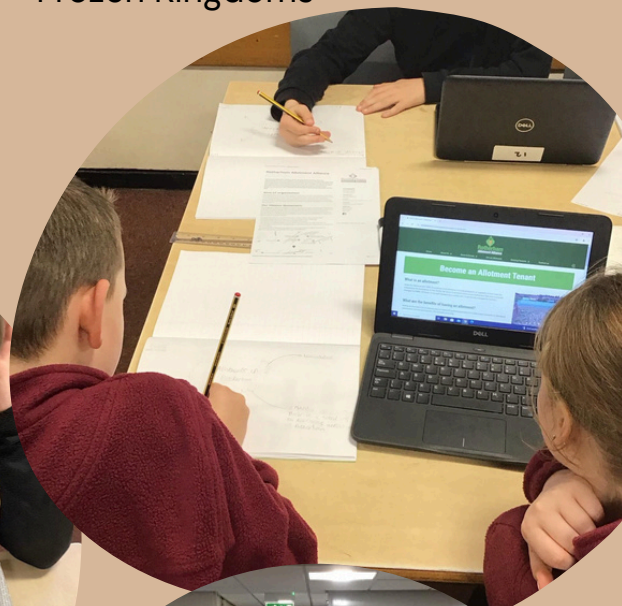

yr2 – Coastline

yr3 – Rocks, Relics & Rumbles

yr4 – Misty Mountains, Winding Rivers

yr5 – Sow, Grow & Farm

Yr6 – Frozen Kingdoms

WE HAVE LOVED WELCOMING MISS BURGESS AS OUR YEAR 5 CLASS TEACHER.

All of year 5 have taken this change in their stride. I have been impressed with all children and how they have shown Miss Burgess their many strengths. The atmosphere is always productive with courageous answers and contributions when I drop in.

WE HAVE ALSO BEEN LUCKY ENOUGH TO WELCOME BACK MRS SANDERS & HAVE MRS BILHAM JOIN OUR TEACHING ASSISTANT TEAM.

YEAR 3 VISIT TO CRESSWELL CRAGGS

What a great day we had at Cresswell!

Year 3 children represented school superbly. Their knowledge of the Stone Age impressed both of our guides.

Children took part in exploration, survival and cave exploring workshops.

Save the date

SPRING TERM 2 ...

MONDAY 24TH FEB - SCHOOL RE OPENS
