

Aston All Saints C of E Primary School

Prospective Parents for the year 2022-2023

Welcome to our School

We are a church school and part of the
Diocese of Sheffield Academy Trust

school.

Our Christian Values Are At The Heart of Our School

Everything is possible for the person who has faith.' Mark 9.23

- Forgiveness
- Loyalty
- Justice
- Equality
- Thankfulness
- Endurance

We gather together every day for Collective Worship, we visit All Saints Church each term for an assembly, and at the end of each half term, we hold a Family Service or Eucharist; our school families are invited to share this worship with us.

Our 50th Anniversary

We celebrated with the Archbishop of York and
Bishop of Sheffield

Our Foundation Classroom has its own natural outdoor area; it is very important to us that the children have lots of opportunities to take their learning outside.

We invite parents to join in with their children's learning – for example
- to take part in Curriculum Weeks, join class assemblies, attend workshops and meet their child's class teacher at an Open Evening each term.

School Family Events

Our curriculum follows the National Curriculum and is based on creating as many different and exciting learning experiences as possible for all our children. From off site day visits to residential in Y4 and Y5

Whitby, Filey, The Yorkshire Wildlife Park, Cannon Hall Farm, museums, The Chocolate Factory, The Fire Station, Sherwood Forest....

Music is very important to our school; we have our own music teacher who works with children right through school. We have a school orchestra and we have seven peripatetic teachers who teach a range of musical instruments.

Sports Breakfast Club and Sports Day

Christmas Celebrations

School Council and Worship Committee Support With Fundraising and Collective Worship

Year Five Memories of Aston C of E

- Eden
- The things I love about Aston C of E are we have a huge field and two woodlands to play in. The teachers are extremely kind. We get to go on school visits absolutely everywhere, to help us learn new things about our topic and different subjects. I am looking forward to being in Year Six as we get to help the little Foundation Children at lunchtime. We have our own voice with The School Council and The Worship Committee. I loved being in FS2; we had wonderful, kind teachers called Mrs Walsh and Mrs Kiddy.

Year Five Memories of Aston C of E

- Alice
- I like this school most of all because I have made some lovely friends that I get to work and play with. I love my learning because we go on wonderful school visits. My favourite memory is going to visit The Yorkshire Wildlife Park; we had so much fun and learnt interesting facts about animals.

Year Five Memories of Aston C of E

- Oscar
- I like my school because the teachers are all so helpful and kind. We have a very kind new head teacher called Mrs Morley. We have so many lovely books to read and a huge field where we can play and enjoy being outside. We learn lots of different subjects such as English, Maths, History, Science, PE and Music. I always look forward to our wonderful school trips. I am really thankful for being able to attend this school and for all the activities and learning I have done.

Year Five Memories of Aston C of E

- Emília
- The best thing about this school are the amazing teachers; they always help you when you get stuck! When you start school, the Year Six children help you carry your tray. Dinners are delicious and free in the infants. In the Foundation outdoor area there is a forest! In the infant playground there is a quiet area and activities to do on the ground. In the Junior Playground there is even a trim trail and a small forest. My favourite memories are watching the pantomimes every year, going to Filey in Year Two, and when we have school discos!

Year Five Memories of Aston C of E

- Millie
- Aston All Saints is a wonderful school because the Year Six children help the little ones at lunchtime and take care of them. We have two playgrounds; one for the Infants and another one for the Juniors. There is a huge woodland in Foundation. In the Juniors, there is a mini Ninja Warrior to complete! My three best memories are my first school disco, when we had Mrs Mellor as our head teacher, and when we went to Filey on a school visit!
